## INNOVATIONS IN TEACHING

---

### DESIGN & IMPLEMENTATION OF NEW COURSES

2017 - Present **Seminars in Supervision**, Developed a new course in Fall 2017 related to supervision for graduate students

### INNOVATIONS IN TEACHING

2018 - Present **Outplacement discussions**, Using ICON for students in outplacements that allows for discussions and reflections.

Jan 2020 - Jan 2020 **What to expect in SLP graduate supervision**, Final project in the 'Seminars in Supervision' class created with students in the class, posted on You Tube with 1270 views (Feb 1, 2020)

Jul 2019 - Nov 2019 **Teaching clinician-client alliance in SLP clinical education**, Developed two video modules that were distributed widely through You Tube (more than 600 views as of January 2020)

### PROGRAM DEVELOPMENT

2018 - Present **Adult stuttering therapy**, Provide group therapy for adults who stutter, using tenets of Avoidance Reduction Therapy for Stuttering. Providing clinical education to students to help them learn about running groups. Students learn to work on speech mechanisms and counseling aspects of stuttering.

2016 - Present **Wee Talk Together**, Developed a program to provide diagnostics and therapy for toddlers with speech and language therapy. Students learn to provide services at clinic and home/day care environment in keeping with current research and best practices.

Jun 2017 - Present **Summer Speech Buddies**, Summer intensive program developed to train graduate students to work with groups of children with speech sound disorders.

### WORKSHOP/CLINIC

2017 - Present **UISpeaks**, Direct a stuttering camp that runs for a week in the summer for kids and teens who stutter. The camp provides an opportunity for clinical education for students while serving an important need in the community

2015 - Present **Outreach at Neighborhood Centers**, Two students per semester visit the toddler classrooms at the neighborhood centers of Johnson County. They provide language stimulation to all children in the room, including ones identified as struggling with learning language and those who are English Language Learners.

2008 - 2020 **Pediatric Speech and language diagnostics and therapy**, Clinical education to graduate students for a variety of pediatric speech and language disorders; diagnostics and therapy

2012 - 2015 **Stuttering diagnostics and therapy**

2009 - 2015 **Birth to Three Program**

2009 - 2015 **Summer Intensive Articulation and Phonology groups**

## MASTERS THESIS COMMITTEES

---
