

JEAN K. GORDON

Campus Address: Department of Communication Sciences & Disorders
334D Wendell Johnson Speech and Hearing Center
University of Iowa, Iowa City, Iowa 52242-1012

Phone: 319-335-8729

E-mail: jean-k-gordon@uiowa.edu

EDUCATIONAL AND PROFESSIONAL HISTORY**Post-Graduate Education**

Post-doctoral fellow	University of Illinois at Urbana-Champaign, Beckman Institute <i>Mentor: Dr. Gary Dell</i>	Sept. 2000 – Aug. 2001
----------------------	---	------------------------

Higher Education

Degree(Date)	Institution/Advisor	Dates Attended
PhD (2001)	McGill University, Montréal, QC, Canada Thesis: Aphasic speech errors: Spontaneous and elicited contexts <i>Advisor: Dr. Shari Baum</i>	Sept. 1995–Aug. 2000
MSc (SLP) (1992)	McGill University, Montréal, QC, Canada (combined research/applied degree) Thesis: Rhyme priming in aphasia: The role of phonology in lexical access <i>Advisor: Dr. Shari Baum</i>	Sept. 1988–Sept. 1991
	University of Toronto, Toronto, ON, Canada (additional prerequisite coursework)	Sept. 1987–June 1988
BA (Honours) (1986)	Bishop's University, Lennoxville, QC, Canada (humanities, major in languages) Honours Thesis: Consonantal variations in Québécois French <i>Advisor: Dr. Karl Kuepper</i>	Sept. 1983--Aug. 1985
Univ. Yr. 1	University of Alberta, Edmonton, AB, Canada	Sept. 1982 - April 1983

Professional and Academic Positions

Position Held	Institution	Dates Held
Associate professor	University of Iowa, Department of Communication Sciences & Disorders	Aug. 2007 – present
Core faculty member	University of Iowa, Interdisciplinary Neuroscience Program	Fall, 2004 – present
Assistant professor	University of Iowa, Department of Speech Pathology & Audiology	Aug. 2001 – July 2007
Instructor	University of Iowa, Department of Speech Pathology & Audiology	Aug. 2000 – Aug. 2001 (on leave)

Professional and Academic Positions (continued)

Position Held	Institution	Dates Attended
Speech-language pathologist (certified)	Richardson Hospital Centre Montréal, QC, Canada	March 1997- May 1998 (temp. replacement)
S-LP(c)	Laurentian Hospital Sudbury, ON, Canada	Oct.1991- July 1995 (full-time)
S-LP	Summit School Ville St. Laurent, QC, Canada	Jan. - July 1991

Licensures and Certifications

Academy of Aphasia	Oct. 2004 – present
Iowa Speech and Hearing Association (ISHA) (license # 01480)	Jan. 2002 – present
American Speech-Language-Hearing Association (ASHA) (membership #12070827)	Nov. 2001 – present

Honours and Awards

2000	McGill University Dean's Honours List (PhD)	
1995 – 1997	NSERC, Post-Graduate Scholarship (PGS-B)	\$ 34,800
1988 – 1990	Northern Bursary Program of Ontario	\$ 15,000
1986	Bishop's University Prize in Humanities	
1983 - 1985	Bishop's University Entrance Scholarship	

Memberships

Academy of Aphasia	Oct. 2004 – present
ASHA Special Interest Group 2 (Neurophysiology and Neurogenic Speech and Language Disorders)	Nov. 2001 – present
ASHA Special Interest Group 15 Gerontology	Dec. 2014 – present

TEACHING**Current Teaching Assignments at the University of Iowa**

Number	sh	Course	Semester
CSD:5146	3	Introduction to Neurogenic Language Disorders	Fall
CSD:6519	2	Evidence-Based Practice	Fall
CSD:5233	2	Aphasia	Spring
CSD:4165	1-2	Communication Disorders & Aging	Spring
CSD:6515	0-1	Proseminar series (coordinator)	Fall & Spring
CSD:4186	2	Problems (individual readings)	as needed
CSD:7590	1-3	Research registration	as needed
CSD:4098	2	Honors thesis registration	as needed

SCHOLARSHIP**Refereed articles published or in press**

1. Boyle, M., **Gordon, J.K.**, Harnish, S.M., Kiran, S., Martin, N., Rose, M.L., Salis, C. (in press, accepted July 7, 2021). Evaluating cognitive-linguistic approaches to interventions for aphasia within the Rehabilitation Treatment Specification System (RTSS). *Archives of Physical Medicine and Rehabilitation*.
2. Fridriksson, J., Basilakos, A., Boyle, M., Cherney, L.R., DeDe, G., **Gordon, J.K.**, Harnish, S.L., Hoover, E.L., Hula, W.D., Pompon, R.H., Johnson, L.P., Kiran, S., Murray, L.L., Rose, M.L., Obermeyer, J., Salis, C., Walker, G., Martin, N. (in press, accepted Aug. 2, 2021). Demystifying the complexity of aphasia treatment: Application of the Rehabilitation Treatment Specification System (RTSS). *Archives of Physical Medicine and Rehabilitation*.

Areas of Research Interest

- word retrieval in typical aging and aphasia
- fluency of language production
- age-related stereotypes

Grants Funded

Duration	Agency, Proposal Title & Role	Total Amount
<u>External</u> 2017 – 2020	American Speech-Language-Hearing Foundation, New Century Scholarship: “Fluency Forward: Developing a more reliable and clinically useful assessment of fluency in aphasia” <i>Role: Principle Investigator</i>	\$ 25,000
2012 – 2015	Chicago Wisdom Project: Developing a Center of Excellence in Wisdom Science (Total ~ \$ 5,000,000)	
2014 – 2015	<i>Role: Invited participant & Subcontracted Collaborator (Wisdom in Words: The role of metaphor)</i>	\$ 7,242

2008 – 2010	John Templeton Foundation & University of Chicago Arete Initiative: Defining Wisdom “Wisdom in Words: The relationship between language use and the perception of wisdom” <i>Role: Principal Investigator</i>	\$ 99,720
March, 2007	ASHA/NIDCD “Lessons for Success” Grant Workshop (travel stipend)	\$ 1,000
2006 – 2010	NIDCD R03-DC007072 “Phonological neighborhoods in aging & aphasia” (includes one year no-cost extension) <i>Role: Principal Investigator</i>	\$150,000
2005 – 2007	NIH F31 DC007560-01A2 (NRSA) “Distinguishing the neural bases of lexical access” PI: Will Graves, Ph.D. candidate, Neuroscience Program <i>Role: Co-sponsor</i>	\$ 27,451
2005 – 2010	R01, NIDCD “Imaging studies of Normal and Impaired Lexical Access” PI: Thomas Grabowski, Ph.D., Neurology Dept. <i>Role: Consultant</i>	\$ 2,198,980
2004 – 2005	American Speech-Language-Hearing Foundation Research Grant for New Investigators (“Associations and Dissociations: An Investigation of lexical access deficits in agrammatism and anomia”) <i>Role: Principal Investigator</i>	\$ 5,000
2004 – 2005	ASHA Division 2 (Neurogenic Disorders) Supplement to New Investigator Grant <i>Role: Principal Investigator</i>	\$ 1,500
2000 – 2002	Natural Sciences and Engineering Research Council (NSERC), Post-Doctoral Fellowship (2 nd yr declined) Beckman Institute, U. of Illinois at Urbana-Champaign <i>Role: Post-doctoral Scholar</i>	\$ 70,000
1997 – 2000	Fonds de la Recherche en Santé de Québec (bourse de formation de troisième cycle, pour les détenteurs d'un diplôme professionnel) <i>Role: Doctoral scholar</i>	\$ 105,473

Internal*University of Iowa*

2019	Obermann Residency Fellowship	\$ 1,000
2019	International Programs travel grant (AoA, Macau, SAR)	\$ 1,100
2016	CLAS Faculty travel support (AoA in Llandudno, Wales)	\$ 800
2014	CLAS Faculty travel support (conference in Miami, Florida)	\$ 750
2014	International Programs travel grant (Geneva, Switzerland)	\$ 700
2014	CLAS Faculty travel support (conference in Geneva, Switzerland)	\$ 500

Summer 2014	Obermann Interdisciplinary Research Grant (with Howard Butcher, College of Nursing) “Linguistic Analyses of Structured Written Emotional Expression: Revealing what is revealed”	\$ 6,000
2012	CLAS Travel support (Montreal, PQ, Canada)	\$ 700
2011 – 2015	First-Year Seminar incentive grant (per year)	\$ 2,500
2006	Council on Teaching Instructional Improvement Award: “Video Library for Clinical Instruction and Observation” (L. Louko, J.K. Gordon & J. Moon)	\$ 4,270
2005	Council on Teaching Instructional Improvement Award: “A Case-Based Approach to Learning about Neurogenic Communication Disorders: Development of a Digitized Audiovisual Library” (J.K. Gordon & K. Ballard)	\$ 4,900
Nov. 2003	International Programs travel grant	\$ 600
Oct. 2003	College of Liberal Arts & Sciences travel support	\$ 400
May 2003	nTitle program (use of classroom technology)	\$ 2,000
2007 – 2008	Iowa Research Experiences for Undergraduates (IREU): “Facilitating Communication in Aphasia with Augmentative Devices” (J.K. Gordon & E. Mekies) <i>Role: Mentor</i>	\$ 3,000

29. **Gordon, J.K.** & Baum, S.R. “The role of the phonological neighbourhood in aphasic speech errors.” Poster presented at the Academy of Aphasia Conference. Venice, Italy. October, 1999.
30. Pell, M.D., Baum, S.R. & **Gordon, J.K.** “Implementation of prosodic cues in the resolution of minimal attachment ambiguities following brain damage.” Poster presented at the Academy of Aphasia Conference. Santa Fe, NM. November 1998.
31. Baum, S.R., Pell, M.D., Leonard, C.L. & **Gordon, J.K.** “The ability of left- and right-hemisphere-damaged individuals to perceive and produce prosodic cues marking phrase boundaries.” Poster presented at the Academy of Aphasia Conference. Philadelphia, PA. October 1997.
32. **Gordon, J.K.** “The fluency dimension in aphasia.” Presented at the Clinical Aphasiology Conference. Bigfork, MO. June 1997.
33. **Gordon, J.K.** & Baum, S.R. “Rhyme priming in aphasia: The role of phonology in lexical access.” Poster presented at the TENNET Conference (Theoretical and Experimental Neuro-psychology / Neuropsychologie Expérimentale et Théorique). Montréal, QC. May 1992.

National Refereed Conferences

34. **Gordon, J.K.** (chair & presenter), Dell, G.S. (keynote presenter), Martin, N. (presenter) & Wilshire, C. (presenter). “Models of lexical access in normal and aphasic speakers.” Presented at the American Speech-Language-Hearing Association (ASHA) Annual Convention. Chicago, IL. November 13, 2003.

Regional Conferences

35. **Gordon, J.K.** “Modelling phonological neighbourhood effects in speech production: Implications for aphasia and aging”. MCWOP 12: Twelfth Mid-Continental Workshop on Phonology, University of Iowa, October 20-22, 2006.
36. **Gordon, J.K.** & Baum, S.R. “The role of rhyme relationships in lexical access in aphasia.” Poster presented at the **Journée Scientifique**. Université de Montréal, Montréal, QC. May 1996.

Invited Presentations

37. **Gordon, J.K.** & Shaw, C. (2020). Can you understand me, dearie? Accommodation & over-accommodation of communication in aging. **Iowa Aging Summit**, Sept. 17-18, 2020 (virtual).

38. **Gordon, J.K.** (2016). "Mechanisms of lexical retrieval: Competition & facilitation in the neighborhood". Moss Rehab Research Institute, Philadelphia, PA.
39. **Gordon, J.K.** (2015). "Communicating wisdom: Do older speakers seem wiser?", Wisdom Research Forum, Chicago, IL.
40. **Gordon, J.K.** "Language in aging: Task effects" (2010). Defining Wisdom Symposium, Chicago, IL.
41. **Gordon, J.K.** (2009). "Wisdom in Words: Grammatical complexity, lexical specificity & the perception of wisdom." Defining Wisdom Symposium, Chicago, IL, June, 2009.
42. **Gordon, J.K.** (2008). "Wisdom in Words: The relationship between language production & the perception of wisdom." Defining Wisdom Symposium, Chicago, IL, Aug., 2008.
43. **Gordon, J.K.** (2007). "Understanding paragrammatism." Beckman Institute, University of Illinois at Urbana-Champaign, October 11, 2007; Moss Rehabilitation Institute, Philadelphia, PA. Sept., 2007.
44. **Gordon, J.K.** (2006). "Using Connectionist Models to Understand Lexical Access Deficits in Aphasia." Presented at the Illinois Speech and Hearing Association (ISHA). Rosemont, Illinois. Feb., 2006.
45. **Gordon, J.K.** (2001). "Phonological neighbourhood effects: Evidence from aphasia and connectionist modelling." University of Iowa, Psychology Department seminar series, Oct., 2001.
46. **Gordon, J.K.** (2000). "Lexical neighbourhood effects in aphasic speech errors." University of Illinois at Urbana-Champaign, Cognitive Science seminar series. Oct., 2000.
47. **Gordon, J.K.** (1999). "Phonological neighbourhood effects in aphasic speech errors." Dalhousie University, Jan., 2000; Univ. of Alberta, Nov., 1999; McGill Univ, Oct., 1999.
48. **Gordon, J.K.** (1997). "The fluency dimension in aphasia." McGill University, School of Communication Sciences and Disorders. April, 1997.

Student Presentations

49. Shaw, C., Herr, K., Williams, K., Ward, C.E., & Gordon, J.K. (2021). *Rejection of Care in Hospitalized Persons Living With Dementia: The Impact of Nurse Communication*. Gerontological Society of America Annual Scientific Meeting, Nov. 13, 2021.
50. Shaw, C., Gordon, J.K., Williams, K. (November 2020). *Understanding Elderspeak: An Evolutionary Concept Analysis*. Gerontological Society of America Annual Scientific Meeting, virtual meeting, peer reviewed poster presentation.
51. Mengad, S., Mosu, R., Laird, L., Gordon, J.K., Rochon, E. & Leonard, C. (2017). The influence of phonological components analysis treatment on lexical access in individuals with aphasia." To be presented at the Academy of Aphasia, 55th Annual Meeting, Baltimore, MD, November 5-7, 2017.
52. Jordan, L., Young, M. & Gordon, J. "The influence of verbal abilities and age on verbal fluency performance: Clinical implications." **Iowa Speech & Hearing Association**, Iowa City, IA, Oct. 20-21, 2016.
53. Jordan, L. & Gordon, J.K. "Perception of wisdom: Written vs. spoken words", **Iowa Speech & Hearing Association**, Des Moines, IA, Oct. 22-23, 2015.

54. Cheimariou, S., Farmer, T. & Gordon, J.K. "Prediction and language processing in aging", **Ageing and Speech Communication Conference**, Bloomington, IN, Oct. 12-14, 2015.
55. Taylor, J.T. & Gordon, J.K. "Judging Communicative Competence: Investigating Age-Related Stereotypes in Speech-Language Pathology Students", presented at **American Speech-Language-Hearing Association (ASHA)**, Orlando, FL, Nov. 20-22, 2014.
56. Morgart, A.P. & Gordon, J.K. "Effects of phonological neighborhood density on accuracy of picture naming in aphasia", submitted to the **Academy of Aphasia**, Miami, FL, Oct. 5-7, 2014.
57. Cho, J.Y. & Gordon, J.K. "Use of emotion words by dementia caregivers in an emotion disclosure task: Handwriting vs Typing." **Spring Undergraduate Research Festival (SURF)**, University of Iowa, April 9, 2014.
58. Andersen, K.J. & Gordon, J.K. "Stereotypes of the aging voice", **SURF**, University of Iowa, Spring 2013.
59. Rozeboom, K. & Gordon, J.K. "Age differences in linguistic coherence measures in narratives." **AMBI (Aging Mind and Brain Initiative)**, University of Iowa, Spring 2012; **SURF**, Spring 2012.
60. Perez, G.A. & Gordon, J.K. "Perceptual and acoustic characteristics of the aging voice: Implications for age-related stereotypes." **SROP/McNair program**, University of Iowa, Summer 2012.
61. Kurczek, J. & Gordon, J.K. "Lexical decision in aging: Stimulus variables and response time components". Poster presented at the **Ageing & Speech Conference**, Bloomington, IN. Oct. 12-14, 2009.
62. Ball, T., Slater, M. & Gordon, J.K. "What contributes to word retrieval?" **Iowa Speech & Hearing Association**, Iowa City, IA, Oct. 25, 2007.
63. Geis, M. & Gordon, J.K. "Measuring lexical diversity in aphasia with the help of Norman Rockwell." **Iowa Speech & Hearing Association**, Iowa City, IA, Oct. 25, 2007.
64. Mekies, E. & Gordon, J.K. "*SentenceShaper*: A processing prosthesis." **Iowa Speech & Hearing Association**, Iowa City, IA, Oct. 25, 2007.

CURRENT & RECENT SERVICE

Profession

Appointments

Editorial Board, <i>Journal of Communication Disorders</i>	Jan. 2021 – present
ASHA University Giving Program Departmental Ambassador	Apr. 2018 – present
Editorial Board, <i>Aphasiology</i>	Sept. 2014 – present
Editor-in-Chief, <i>Journal of Communication Disorders</i>	Jan. 2016 – Aug. 2021
Academy of Aphasia, Secretary	Oct. 2014 – Dec. 2020
Pathways mentoring	June 2019

Department

Committees

▪ Director of Graduate Studies	Feb. 2021 – present
▪ PhD Program Director	Aug. 2020 – present

- Admissions Committee Chair 2018 – 2021
- Curriculum Committee Member 2016 – present
- PhD Studies Committee Member Aug. 2011 – Aug. 2020
- Admissions Committee Member Jan. 2016 – 2018,
2021 – present

Other

- Coordination of Departmental Proseminar series Fall 2016 – present
Fall 2012 – Spring 2015

College

- Faculty Assembly co-representative Jan. 2021 - present
- CLAS Executive Committee Aug. 2020 – May 2021
- Neuroscience Admissions Committee Aug. 2018 – present

University

- Aging Studies Program Curriculum Advisory Committee Fall 2011 – present
